Sub Zero Ice Cream opens a new location at the Fairfield Town Center

By Community Impact Staff | Posted June 29, 2017 at 6:35 am

A new location of Sub Zero Ice Cream opened June 25 at the Fairfield Town Center next to MOD Pizza at 28920 Hwy. 290, Cypress.

Customers choose a yogurt and ice cream base, flavors and other add-ons before the mixture is frozen and served. The hand-mixed concoction is then frozen in a 15-second process that company officials said make it creamier and denser. www.subzeroicecream.com
